

Virtual Tours

Matterport® 3D Interactive Virtual Tours Benefits:

- 24/7 Browsing access for your audience.
- Enrich any tour with videos and links to content beyond the tour.
- Valuable recruitment tools for employees; post-doctoral students.
- Virtual facilities tour for online accreditation meetings.
- A great communication tool for existing conditions for architects and subs.
- Order / receive simple schematic floorplans within a few days.
- Retain still photo and 360 photo assets for your use.
- Documentation for building construction stages.
- Insurance documentation.
